Emmanuel Bompy

Executive Coach

Emmanuel is an Executive Coach and Consultant specialized in leadership development through meaning.

Previously, Emmanuel has held various management positions including Business Unit Director and Sales and Marketing VP, mostly in the high tech industry in Europe.

Emmanuel helps executives and managers jump into their driving seat, meet a new challenge, clarify change options and make a difficult change decision.

Emmanuel also works with teams to build alignment and consistency around a shared vision to drive performance in a quickly changing environment

He is French, based in Paris and works globally.

Emmanuel is convinced that the will to meaning is a key driver in life. Therefore, he brings special attention to meaning questions because they become more and more central for many leaders as they try to maintain consistency between themselves and their complex and changing environment.

Certifications:

Member and past administrator of Société Française de Coaching.

Certified and trained in MBTI and TMS, Process Communication, Human Element, and Transactional Analysis.

Logotherapist (will to meaning)

Certified Coach (Transformance).

Education: MBA (INSEAD, 1985), Aeronautical Engineer (Supaero Toulouse, 1976)

Victoria Bouix is an executive coach and consultant specialised in leadership development and in facilitating change.

Before starting her own business in 2011 she worked 15 years for large global organisations including Ernst & Young, L'Oréal and PwC where she held leadership positions on country, European and global level.

Of Swedish nationality, Victoria has lived and worked across the globe and has experience from a large variety of industries. Today she works with leaders and teams to improve their agility, resilience and vitality in the context of change.

With a purpose driven and strengths based approach that leverages what is unique in each individual, Victoria uses a large variety of tools to create awareness and transform insight into action.

She is particularly interested in how to develop a personal leadership style, how to remain constructive under pressure, how to

manage energy and how to influence others in an increasingly uncertain, ambiguous and complex business environment.

Her work focuses on managing transformation, leadership development, shaping organizational culture and transition and career management.

Certifications: 360 feedback GELM/GELI (INSEAD), BPS psychological testing (Level A & B), MBTI and 16PF certified practitioner, Systemic Coaching Constellations (ICF), Leadership Work Styles and LSI (Human Synergistics), Emotional Competence Inventory (Roche Martin), FIRO-B (OPP) DiSC (Discernys), Coaching Across Cultures (P Rosinski), Change Management Practitioner (PwC), Communication Coaching, INSEAD

Education: MA Psychology (HEC 2002), Coaching & Consulting for Change (INSEAD 2002), BA Psychology (SUNY 1994), BSc Business Administration (SUNY 1993)

Marc-Antoine is an Executive Coach and Facilitator specialized in Executive Coaching and Leadership Development. He is a dual French/Canadian national based in Paris.

For the academic year 2018-2019, he is part of the coaching team of Ecole Polytechnique's Executive Master Programme.

Marc-Antoine brings global corporate experience. He held various leadership roles and rounded up his business career as General Manager of L'Oréal's Professional Products Division in Hong Kong from 1993 to 1997.

He then built on these learnings as an investor and strategic advisor in the bio tech industry on the one hand, as well as facilitating seminars with Synthesis, an innovative Paris based consulting company using sensitive intelligence tools (music, contemporary art)

designed for Executives facing a VUCA world.

After 4 years in India, based in Delhi, with Korn Ferry's Leadership and Talent Practice, Marc-Antoine resettled to Paris in 2012. Today, he works as an independent coach and consultant with high potentials and executives individually, in groups and in teams to help them fulfill their leadership potential and boost their performance. He focuses on leadership programs for talents and individual coaching at the C Level.

Certifications: LVI 360, Hogan, Effective Coaching Program (Korn Ferry Institute, Singapore, 2010), 360° Lominger Competencies (Korn Ferry, India, 2011). Also proficient to use the KDVI GELM 360.

Education: MBA (INSEAD, 1989), BA Marketing (HEC Montréal, 1987)

 <https://www.linkedin.com/in/juliejessup/>

Julie is an Executive Coach and Consultant. She has been developing leaders for over 30 years, both working in senior positions in global HR organisations and, for the past 15 years, as an external coach and advisor.

Julie's pragmatic style helps her clients quickly focus on the key issues which will leverage both business results and personal objectives.

In addition to her work with individual leaders, Julie also works with leadership teams to build alignment and reinforce organizational cultures which drive performance and adapt to change.

Julie has held positions including head of Global Talent, European HR, and European Management Development across several industries.

She has lived in the USA, Belgium, The Netherlands and France. She is a dual

national French and American, based in Paris.

Julie has a strong commitment to Business as a Force for Good. She has supported the Skoll Centre for Social Entrepreneurship at Saïd Business School, Oxford, The Chivas Venture, and Live for Good to build Social Entrepreneurship globally and works extensively on building high character leadership to drive business results.

Certifications: Hogan Assessments, MBTI Step 1 and 2, Leadership Development Framework, Transformational Narrative Coaching. Member of the British Psychological Association. Certified Coach Ashridge Business School (Distinction).

Education: MBA (INSEAD, 1988), BA Management Science (University of California, San Diego, 1984)
