Our Global Network

Our network of 60,000 alumni in 176 Countries is held together by the INSEAD Alumni Association (IAA). Founded in 1961, this independent, volunteer-run organisation works with the school to offer alumni a wide range of services to facilitate networking, lifelong learning, career development and more. The IAA is an umbrella organisation, facilitating and coordinating the many National Alumni Associations, Clubs and National Contacts around the world.

Currently there are 49 National Alumni Associations (NAA) representing 52 countries across the world. In addition, there are 5 National Clubs, 30 National Contacts and 8 special interest Global Clubs. The purpose of these organisations is to support their members throughout the world with a comprehensive and wide range of professional and social activities to nourish the network and to promote INSEAD. As a member of the INSEAD Alumni Association, you'll enjoy an exciting calendar of social, networking and lifelong learning events – not just in your country, but wherever in the world an Association or Club is running.
