**The IN-BOARD Academy is a training programme that strengthens leaders for current and future board roles. You will learn best practices of board dynamics from INSEAD Faculty and experts selected from the UK's most experienced board professionals and business leaders.**

In this forum, you will get the chance to network, connect, interact with and learn from other alumni, expert partners and speakers.

- The programme entails 5 Workshops led by Knowledge Partners, & a 2½ day on-campus session at INSEAD, Fontainebleau campus. Modules are half-day sessions.
- As a delegate of the INBOARD UK programme, you will also receive membership to the prestigious Deloitte Academy, which provides a platform, support and guidance to board and executive committee members. Membership includes access to Deloitte's Business Centre.

## IN-BOARD ACADEMY
